Homepage Category Banners:

Featured Products

For each banner you can modify;

- **Banner image**
- **Banner link URL**
- **Image alt text (For SEO purposes)**

Colors according to code provided below.

To modify banners;

1. Connect to your store through FTP and navigate to template folder **/web/assets/templates/hatgang-core-premium/**
2. Look for the file named **home.html** and download it to your computer.
3. Open the file in your text editor to make changes. After your changes are complete make sure to upload it back to the same folder and replace the file there.
4. In the file home.html look for the code below to modify the content as needed.

5. Upload images to media library and use their URLs in slide. The recommended size for 2 large left-side banners is **788 x 365 pixels** and for 3 smaller right-side banners it is **393 x 221 pixels**.
